Goddess Aiden Starr and Mistress Ashley Edmonds put three new pieces of slave meat to the test LIVE on Divine Bitches. This is the edited version of 3 full hours of femdom action. It's always fun to see how a guy totally new but eager will react, once dropped smack dab right into the middle of their deepest darkest fantasy. Each newbie endures unforgiving metal bondage, spanking, single tail, humiliation, caddle prod and tough CBT. All three are tested on their anal abilities and one slave even manages to get fisted! A live shoot wouldn't be complete without some sexual pleasure for the ladies. Foot worship, pussy worship and ass worship are all on the agenda while all three, Meat, 12, and Goatboy, are denied any pleasure! Silly slaveboys, ORGASMS ARE EARNED!!!!
