Goddess Nyomi Banxxx graces us with her power again and this time she ball busts pretty boy Lance into submission! No holds barred and all powerful Nyomi whips, tramples and humiliates Lance at her feet. He's bound in strict bondage, balls tortured and strap-on ass fucked so deep she makes this pretty boy ugly. But, lucky for Lance he does have such a cute face and Nyomi wastes not time planting her perfectly round voluptuous ass right on his face smothering him between her cheeks then using his dick for her own pleasure. Lance gets so excited that shit filthy slave load shoots so far accidentally hitting Nyomi's large tits. Of course his cute face must get smothered by her cum covered tits as punishment!
