When you show up to worship at the church of the Divine Bitches you better be prepared to completely devote yourself to their power for your own good. Cole really has no clue what he's gotten himself into, yet he arrives willing and wanting to worship. Goddess Aiden Starr treats him like any new fresh piece of meat and puts him through his paces until he can't help himself but devote his mind, body and soul to the Divine Bitches. You never know what's going to happen when you tie up a newbies cock and give them CBT. Instead of Cole crawling back into his shell he grew and then he grew harder, until his cock was rock solid. Goddess Aiden Starr doesn't skip a beat and continues to put this self proclaimed top through the ringer with whipping, humiliation and torture. He's buttfucked like the pig he is then used only as a tool for Goddess's pleasure. He releases his disgusting filth as newbies have no control and right into his mouth it goes. It's the Divine Bitch way! Clean up your messes, slaveboys!
