Madeline found Mirko groveling on his feet at one of the Divine Bitches live parties. This is Mirko's first porn experience ever and what an honor to be at the foot of the Queen Mistress herself Maitresse Madeline! Madeline works her charms with painful whipping, harsh CBT and plenty of humiliating verbal mixed with hard-on inducing cock tease. Madeline does it yet again, sliding her fingers deep in a newbies ass after strap-on fucking him and milking his prostate until sperm bubbles and boils out of his cock. It's like her favorite thing ever! Mirko is granted the honor of worshiping the Queen's gorgeous pussy and ass and licking up all of her royal cunt juices but first Madeline proves how superior she is by dripping burning wax down her flawless naked body and letting it fall from her tits to his unworthy dick!
