

Objectified Meat For Goddess Aiden Starr Starring: Aiden Starr & Mike de Marco Approx. 56 mins 2013 Kink.com

€ 18,95

Aiden Starr isn't fucking around this time. She wants a piece of meat to objectify and Mike de Marco is turned into just that. Aiden is evil, calculated and devilishly sexy as she takes away Mike's limbs in cellophane bondage, has his eye sight taken away and ass hook plugged while given a wicked caning. His ass is penetrated whether he likes it or not then he's mummified and gets edgy breath play with a plastic bag over his head while being used as a human dildo. See Goddess Aiden Starr like you've never see her on Divine Bitches before!
