

The Price of Being Inadequate Starring: Nyomi Banxxx & Skyebob Approx. 69 mins 2013 Kink.com

€ 18,95

Skyebob AKA 12 was the lucky sub chosen by the members at the live slaveboy tryouts to train with the Divine Bitches. Nyomi Banxxx is a perfect match for this talkative sub and she uses humiliation as a tool to put him in his place. He's spanked and paddled while being made to wear women's panties. His inadequate dick is used to amuse Nyomi by being tied back between his legs and laughed at. He then endures CBT while hung in a fuck sling and has an enormous black strap-on cock shoved deep in his ass. Skyebob is a pain slut and an anal whore so Nyomi makes sure to put him back in his panties and give him small penis humiliation while he's led around on a leash made to lick her big beautiful ass and pussy to orgasm.
