

Femdom Predator Starring: Maitresse MAdeline & Jesse Carl  
Approx. 92 mins 2015 Kink.com

€ 18,95

Imagine you are taking a piss and there she is, Maitresse Madeline. She spansks your ass and covers your head with a plastic bag. She sits on your face, smothering you with her cunt and sweaty ass. Then, she straps it on and pounds you right there with your face down on the dirty bathroom floor. And, without warning she fists your ass so deep that your prostate milks uncontrollably and you spill your load all over.
