

Extreme Masturbation Therapy Starring: Cherry Torn & Garrett Nova Approx. 92 mins 2015 Kink.com

€ 18,95

Garrett is a 19 year old student whose parents pay his way through college. Problem is Garrett can't keep his pesky little hands off his cock and he's facing expulsion! His parents have had it with his perverted masturbation tendencies and send him to the Divine Bitches. Cherry Torn is more than happy to bend him over, lock his little cock away in chastity, fuck him in the ass and give him the cock tease of a lifetime.
