Sydney's inner west suburb is home of Australia's most spacious, open-plan dungeon facility and one of the Southern Hemisphere's most creative and well-traveled dominas, Mistress Servalan! Feminize with pretty TV slave Charlotte before enduring Servalan's patient but painful rope suspended ballet training or strict and proper classroom discipline! Ache for SM slave Skott as Servalan practices her Kung Fu kicking and punching technique, then brings out her single tail whip as an extra treat! Weep for slave Kelli as Servalan first binds, then sheers his long silver tresses in a kinky Samson and Delilah vignette!
