The Domina Files volume 38 Herrin Silvia Berlin - Germany
Running Time: 1 hr 25 mins

€ 9,95

Herrin Silvia is a legend of our time, a leather clad goddess, who knows how to humiliate submissive men with her cunning bondage techniques, stern commands and the whip. She has her own exquisite line of fabulous DVDs with the label Studio Berlin - and we could not resist the temptation to film her in action for the Domina Files. See how she humiliates he slave with her cigarette, that he is forced to eat, witness the classic interrogation scene and hear the whiplashes, feel the nipple clamps and see the "snake" find its way to the most intimate parts of his body, to be followed by the metal probes that drive the slave to lustful madness. This DVD is not for the faith-hearted as it shows Herrin Silvia at her best in her own dungeon. Complete with inter-view segments, a dungeon tour and behind the scenes footage of the city of Berlin.
