The Domina Files volume 69 Mistress Selina Minx Los Angeles CA - USA Running Time: 1 hr 14 mins

€ 9,95

We find ourselves in Los Angeles once again and this time we pay a visit to none other than Mistress Selina Minx. She gives us a tour of her well equipped dungeon and outdoor play space. We spend the rest of the afternoon documenting a lengthy erotic play session with Selina and submissive Jackie. From bondage to spanking to large dildos, Jackie takes it all for her Mistress and wants more. She even endures a good douching outdoors. Mistress won't tolerate a filthy pussy you know. Loads of pain and pleasures for all to enjoy, delivered with a smile.
