The Domina Files volume 71 Mistress Judith @ Studio Chelsea Rotterdam - Holland Running Time: 90 mins

€ 9,95

In this action packed film we were privileged to shoot both a stunning mistress with her slave, who she submits to a stern treatment bearing in mind, that a man thinks with his cock – and that part of the slave get a more than fair share of attention. It makes the mistress longing for more and being a switch herself, she submits her body and mind to Sir Damian who takes her to a prolonged orgasm using nipple clamps, vibrators and… his bare hand. In the interview both Mrs. Judith and Sir Damian explain what makes their way of BDSM play so special. Action as you have never seen before in this series, hot and steamy BDSM combined with rough sex.
