Join us on a fetish journey, where fantasy is reality. Mistress Hannah Price welcomes you to her world of real-life fetish and female domination. No agency models: just real, genuine, authentic fetishists who live this lifestyle 24/7, seen through the experienced lens of world-renowned fetish photographer, Peter Felix Kurtz. Adreana is locked in a human-sized bird-cage. Mistress Hannah & Natalie taunt her with their huge strap-ons, before making her suck them like a slut. Shot on location at Fetters, probably the world's leading manufacturer of bondage equipment, Mistress Hannah uses Talulah Tease. After releasing Talulah from a cage, Mistress Hannah fucks her on a bondage swing, then straps her to a gyno-chair before fucking her some more. Mistress Hannah borrows Lady Louella's dungeon for the day, where she and Natalie can tease Adreana to their hearts content. After some sensual spanking and flogging, Adreana is forced to orgasm. Natalie should be working in the FetishFoto office. However, she is soon browsing porn and jerking her big black strapon like a horny guy. Mistress Hannah catches her at it and reprimands her wayward rubber cock. Sexy clinic nurses, Adreana and Natalie, can't wait to get their hands on each other when Mistress Hannah leaves the room. However, the action continues once Mistress Hannah returns.
