

Pussy Assault Starring: Dylan Ryan & Orlando Approx. 72 mins 2016 Kink.com

€ 18,95

Dylan is restrained in wooden stocks around her neck and wrists. Her ankles are locked down in steel pipes. Her clothes are ripped away and her body is exposed to the brutal thrashing that reddens her fragile skin. Next she is spread out on our Y table with her pussy exposed and without any chance of escaping. The cane is precise and painful when it strikes her. She screams to release the weakness from her body, but that doesn't make it stop. In the final scene the suffering continues, and then a full pussy assault. Every possible implement possible is used to terrorize her worn-out cunt.
