

Inhale That Femdom Ass! Starring: Slave Fluffy & Cherry Torn Approx. 63 mins 2017 Kink.com

€ 18,95

Slave Fluffy is passed around from bitch to bitch and this time he gets extra special treatment from Miss Torn. His head is secured in a box while Cherry uses it to sit her nice round ass on his face while she has multiple orgasms and uses his tongue to clean it up. She relaxes with a smoke, using him as an ashtray and a spit receptacle, then gags him with a raw onion and leaves him there hanging from his cock and balls.
