Jeze is locked into stocks. Her neck and wrists in one and her ankles in another. The platform she stands on is adjustable, and it can lower to stretch her out or raise and put her in a brutal squat. She is tormented and then allowed to orgasm. Next she is belted on the floor with her feet pulled up and locked in cold steel. Her feet are tormented to her breaking point. She is covered in hot wax and then made to fight through the agony she has suffered and orgasm. In the final scene she is bound and wrapped in plastic in a sitting position. She is tormented even more and her final orgasms are mind bending.
