Chronic masturbation is an American epidemic. It is the scourge of the 21st century. Men like D. Arclyte are spilling and wasting their seed when they should be using it for other things, sex is for procreation only! It's time for Aiden to teach this seed-spilling patriarchal slime case a lesson in the feminine divine. It's not going to be fun, it's not going to be easy, but it's for his own good.
