When slave D. Arclyte doesn't pay his weekly tribute to goddess Daisy Ducati, she decides to pay him a little visit. Daisy catches him rifling through porn mags and decides that he needs to be denied. She fucks her pussy with a dildo that's attached to his chest while he is gagged with an open mouth funnel so that every single drop of her delicious squirt fills his mouth. This is the closest he will ever get to Daisy's cunt!
