Bella Rossi has the ever-willing Will Havoc at her service, and she uses him for all he's good for. Bella makes Will worship her feet, teases him with her pussy, and inspects him for her use as a fuck toy. She warms him up with her cat o' nine tails, fits him with a dildo gag and uses his cock to fuck and cum to her own pleasure. Ultimately, Bella puts Will on all fours and fucks him with a strap-on.
