She may be young, but this slut knows what she wants, and has the experience to know how she wants it. Gina begins bent over and locked in with steel, exposing her perfect ass. The Pope attacks her ass and pussy with floggers and then begins to fuck her pussy and mouth. Next Gina is suspended upside down against the wall. Her body is terrorized again before her holes are filled and used. In the final scene she is spread out on her back like the whore that she is. After some heavy breath control every one of her holes are violated and her feet are tormented.
