

Taking One for The Team Starring: Ariel X, The Pope  
Approx.: 88 mins 2018 kink.com

€ 18,95

Ariel X is back and ready to submit to the most sadistic fucker on the interwebs. Ariel and The Pope have been doing scenes together for over a decade and every time the bar gets set a little higher than the last time. She has a way of inspiring him to do evil things that only she can handle, and handle with a smile. Ariel is as much of a masochist, as he is a sadist.
