

Pretty Lil' Fuck Bunny Starring: Alrik Angel & Cherie Deville  
Approx.: 67 mins 2018 kink.com

€ 18,95

Alrik Angel spends his life in one dream. A dream in which he owns a company and he is always in control. However this is all a front. A shell to hide and deflect the prying and judgemental eyes of the world away from seeing who he really is. Only Cherie Deville sees right through his carefully constructed, polished, and powerful veneer and knows him in his true form; a pathetic, weak, submissive, anal whore.
