Lily Lane and Ruckus both point and laugh at their house slave, Jay Wimp who is on his knees in a cage in the corner of the room. Jay Wimp has been their slave for years and occasionally Lily and Ruckus will let him out to be teased and tormented. On this occasion Lily opens Jay's cage, clips a leash on his cock-cage, has him shove a butt-plug up his own ass and tells him to lick Ruckus' boots clean while he gets flogged.
